STAT Dear [redacted]:

It was good to receive your letter of 13 February enclosing extracts of the letter from your friend. I am passing it on to some of my people for their information.

If the distinguished scientist in your letter should make his contemplated trip to the United States, I would be very interested in talking to him. Consequently, I appreciate your offer to ask him to look me up.

With best regards.

Sincerely,

SIGNED

(Signed) ALLEN W. DULLES
